SIR,

With reference to your docket No. 274 of the 4th August 1896, intimating the transfer to the Public Works Department of this Office letter No. 131 of the 21st July 1896, recommending the construction of a bridge across the Bhrugu river in the Heggadevenkote taluk, I beg to state that when that docket was read to the District Fund Board on the 28th August 1896, it thought that as it would take some years to construct the bridge, and as much inconvenience is experienced by the travelling public, it would be better to put a raft and employ four men to drag it, levying small
